2023 Combined Wheat Competition Results

- 2 Limewood Farm
- 2 Gregory Partnership
- 4 Grant Trading

The Mid Canterbury Combined prize giving was held in Ashburton on 8th June, generously sponsored by Bayer. 47 paddocks were judged in the region, with Methven having two in the top five. Eric Watson spoke about obtaining his Guinness World Record, with David Weith from Bayer explaining how mid Canterbury is one of the best wheat growing regions in the world, and although the World record is currently in England, we can certainly expect it back in Mid Canterbury from time to time. The competition was a great success and will certainly grow year on year.
